

Dear Parent

We encourage our children to draw and paint and to be creative whilst having fun. Often their artworks curl up and are eventually thrown away. We are delighted to be able to offer you an opportunity to cherish a work of art forever.

Proudly made in New Zealand, *art on a plate* transforms our children's art, capturing a point in time in their development, into colourful plates made of melamine. Melamine is long lasting, food and dishwasher safe.

These personalised plates create colourful tableware, perfect for any occasion including picnics and BBQ's. They can be hung on the wall as an art display and make great unique gifts for family and friends.

If you would like your child to participate, please complete the permission slip below.

Kind Regards
